Netbackup Appliance with Three (3) Years Warranty and Support

LANDBANK is inviting interested vendors to participate in the budget discovery/exploratory study of the Netbackup Appliance with three (3) years warranty and support

The Bank has been using Veritas Netbackup (NBU) software, an automated backup system, for its IT applications for more than 10 years already. NBU hardware and software are owned by Veritas Technologies LLC. The Bank uses the automated backup system for various application systems to deliver services and for the continuous operation of the Bank's mission critical core banking systems.
