Software Maintenance Support for the Bank's ROPA MS and SCR

Description:

Maintenance support services of the Bank's Real and Other Properties Acquired Manager System (ROPA MS) and Sales Contract Receivables (SCR) for one (1) year from 15 August 2024 to 16 August 2025, and 16 August 2024 to 15 August 2025, respectively.

The supplier will provide support services for the resolution of issues and ensure the continuous day-to-day operation of the applications.
