

Always make secure transactions

1. Log-on to LANDBANK's valid Mobile Banking App
2. Keep your personal information private and do not share your User ID, password and One-Time PIN (OTP). Please note that LANDBANK does not ask for your Debit and Credit Card Number upon log-in.
3. Check the security policy link found in the Mobile Banking App.
4. Frequently monitor your account activities. Also, check your email confirmation for any financial activities.
5. If your account is deemed to be compromised, immediately change your password and update your mobile number and email address for the OTP. Update your mobile number via the iAccess View Client Profile menu and your email address through the Customer Care Center. You may also update your contact details through any LANDBANK Branch.
