CHAPTER 11

OBLIGATIONS OF THE BANK TO DIRECTORS AND OFFICERS¹

- A. Providing for Staff Support to Directors

The Bank shall provide the members of the Board with reasonable support staff and office facilities to allow them to properly discharge their duties and responsibilities.

- B. Obtaining of Directors and Officers Liability Insurance (DOLI)

Having imposed the highest level of responsibility and accountability on the members of the Board and Officers, i.e., that of extraordinary diligence, it is equitable that when the Bank itself and/or the members of the Board and Management are sued before tribunals on matters that are within the official functions and capacity and on matters where business judgment has been exercised in good faith, that there be proper recovery of the costs of litigation and the judgment liability imposed. It is prudent measure therefore for the Bank to obtain "Directors and Officers Liability Insurance" (DOLI) coverage for itself and the members of the Board and Officers against contingent claims and liabilities that may arise from, as well as the expenses that may be incurred in, prosecuting the actions that may be filed against the Bank arising

from the actions of the Board and/or Management that may cause loss or damage to third parties.

Nothing in the preceding paragraph shall be construed as to authorize the reimbursement or the incurring of costs, such as the payment of premiums on DOLI coverage, by the Bank on the litigation expenses incurred and the judgment liability decreed against a Director or Officer for breach of any of his/her fiduciary duties or for fraud committed in the performance of his or her duties to the Bank and/or its stakeholders.
